Welcome

We invite you to join us at next year's LATAM & US Conference, taking place on 05 - 06 February 2026.

After the success of our LATAM Conference in Lima Peru earlier this year, we are delighted to be hosting next year's Conference in Mexico City, Mexico.

The 2026 regional conference will bring together members from both the LATAM Region and the USA to continue to strengthen both member relationships and opportunities for business. We look forward to sharing with you all the colourful culture and history that can be found in vibrant Mexico City. From it's ancient buildings and modern skyscrapers, to the Baroque Catedral Metropolitana and Palacio Nacional, it is a city of varied beauty.

We look forward to welcoming you there.
